Projects & Experience

- NextPath AI — Full Stack Developer** Jun 2025 – Oct 2025
React · Node.js · Express · MongoDB · REST APIs · AI Integration *nextpath-v2.vercel.app*
- Built a full-stack AI-powered career guidance platform with resume analysis, job advisory, and skill assessment features.
 - Developed a responsive frontend with React and scalable REST APIs using Node.js, Express, and MongoDB.
 - Integrated LLM APIs to deliver personalised career insights and real-time analysis via prompt engineering techniques.
 - Implemented JWT authentication, modular service architecture, and end-to-end deployment on Vercel.
- VendorAX | Next.js · Node.js · MongoDB · Socket.io · Gemini AI** 2026
- Built a SaaS multi-vendor marketplace enabling sellers to launch branded storefronts with zero technical setup, covering product management, cart & checkout, and real-time order tracking.
 - Integrated Gemini AI for product description generation, auto-tagging, and smart pricing suggestions; used Socket.io for live seller notifications and real-time analytics dashboards.
 - Designed a multi-role system (Seller / Buyer / Admin) with JWT auth, role-based access control, Razorpay payment integration, and Cloudinary CDN for media management.
- Crypto Wallet & Transaction Explorer | React · Web3.js · Blockchain** *crypto-wallet-sigma-three.vercel.app* | Nov 2025
- Developed a blockchain-based wallet for storing, sending, and receiving cryptocurrencies with a real-time transaction explorer.
 - Integrated Web3 technologies for on-chain data transparency and interactive transaction visualisation.
- AOX Music | React · Node.js · Express** *aox-music.vercel.app* | Dec 2025
- Built a full-stack music streaming app with seamless playback, user-curated playlists, and library management.
 - Designed a Node.js/Express backend for efficient media handling paired with a responsive React frontend.

Education

- Bachelor of Engineering — Computer Science** Sep 2024 – Present
Shridevi Institute of Engineering and Technology | Lateral Entry
- SGPA: 7, 7, 8 across completed semesters. No active backlogs.
- Diploma — Computer Science & Engineering** Nov 2021 – Mar 2024
H.M.S Polytechnic, Tumkur
- Graduated with above 8.0 SGPA every semester. Strong foundation in software development and web technologies.

Certifications

- Building LLM Applications with Prompt Engineering** Sep 2025 – Nov 2025
